WEEKLY SERVICE TERMS

- The owner must schedule the opening and closing with J AND L Pool Service.
- On the date of the opening, the pool must be filled to normal operating level, & all water, leaves, and/or debris must be removed from the cover.
- At the end of the contract, services will continue at a standard rate until closing or J AND L is notified to stop by the owner.
- It is strongly recommended to continue services until the date of the closing. Failure to do so may result in extra time/charges to complete the closing.
- Crew must have access to water & hose, electricity, plugs, baskets, ladders & rails, & equipment power for opening and closing.
- Crew must have access to water & hose, electricity, and any existing chemicals at all times in order to avoid additional charges.
- Commercial accounts and saltwater pools are not eligible for complimentary bucket of tabs. Price reflects this.
- May be subject to fuel surcharge depending on location and/or price of gas.

I have read and agree to all terms. I understand that my account must remain in good standing to qualify for any discounts and/or special pricing.
